

## Swimming Report 2021-22

### Overview

Currently, our Year 5 cohort swims for the whole academic year. They swim once a week at Hucknall Leisure Centre. The sessions are 45 minutes long and follow the Nottinghamshire County Council Swimming Learning Journey pathway. Pupils have varying levels of proficiency when they begin swimming in Year 5. Many lack confidence in the water and have never been swimming or been taken regularly. Swimming sessions are tailored to pupils according to their needs and abilities using 4 or more qualified instructors, a high ratio to support progress, safety and confidence.
