

# Please Ms. Chambers

Please Ms. Chambers,  
This girl Looby Lou,  
Is ripping my book Ms,  
What shall I do?

Tape her to the table,  
Hide it in a tree,  
Flush her down the loo dear,  
But don't bother me!

Please Ms. Chambers,  
This girl Looby Lou,  
Is jumping on the table Ms,  
What shall I do?

Trap her in the window,  
Throw her out the door,  
Eat her for lunch my dear,  
But don't tell me any more!

Please Ms. Chambers,  
This girl Looby Lou,  
Is tying my shoes together,  
What shall I do?

Put her in the sewer,  
Send her to Morven Park,  
Lock her in a cage dear,  
Leave me in the dark!
