

AUTUMN TERM NEWSLETTER

HOW HIGH CAN WE EXPLORE?

Welcome to Year 3/4 with Miss.Ashley, Mrs.Martin and Mr.Jevons-Newman.

In our Learning Project this term, we're exploring the Peak District! We'll be finding out about life and geography. For instance, when is it a hill or when is it a mountain?

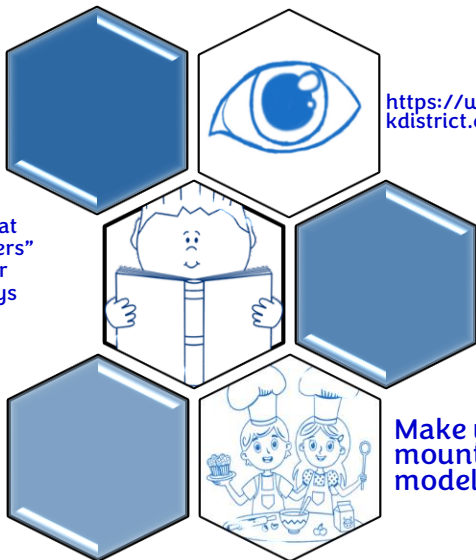

We'll also find out about Britain's highest peaks and look much further afield at Mount Everest!

We are VERY excited about our trip to Chatsworth House later this month! We'll be exploring inside the beautiful house and enjoying the nature of the grounds.

It's not just where we explore but WHO explores too. We'll learn more about famous explorers like Ran Fiennes, Sir Edmund Hillary and Amelia Earhart.

We are reading:

Read 'Great Adventurers' by Alastair Humphreys
